Trucking Law
Changing the Narrative

This seminar will set the standard for how trucking companies and their drivers will be perceived in the future.

- Take advantage of all of the networking opportunities.
- Chris Spear, President of the American Trucking Associations, will get us ready to change the narrative and to humanize the trucking industry.

April 30–May 1, 2020
J.W. Marriott Austin
Austin, TX
This seminar will be a first for trucking lawyers and industry personnel! Presentations include insiders talking about the state of trucking and humanizing our ever-changing industry to appeal to juries and the public. Chris Spear will share inside-industry information and efforts to communicate the importance of trucking to the everyday public. Following Mr. Spear will be a compelling presentation from a trucking company safety director and truck driver about the daily perceptions that they face and how to humanize them and their concerns to the public and a jury. Day two will include regulatory updates from Jim Mullen, General Counsel for the Federal Motor Carrier Safety Administration.

Trucking Law Committee
Resources and Opportunities

From the outset, the DRI Trucking Law Committee leadership envisioned creating a committee dedicated to addressing the concerns of the trucking industry. Over the years, the committee has addressed those needs by producing high-quality seminars and webinars, and by publishing timely articles in *For The Defense* and their e-newsletter, *In Transit*. On the horizon we plan to work with other DRI committees to produce additional projects of interest to our committee members and clients.

The Trucking Law Committee has always taken pride in finding and recruiting the best talent to help it reach its goal to be the standard bearer for education in the trucking industry, to influence change and growth in the motor carrier industry, and to have a positive effect on the public’s perception of the industry. To achieve this goal, we encourage participation of members from diverse backgrounds to serve in leadership positions and help in a variety of ways with the committee activities. Opportunities abound for those committee members who are willing to volunteer. Simply put, we need and want your help!

We are proud of what the committee has accomplished, mindful of how much is yet to be done, and excited by the many challenges and opportunities facing us. Please consider joining us on this journey.
