

DRI Tributes and Memorials

DRI is proud to offer you a unique way to honor or remember someone from the DRI community. Any individual or entity can establish an online memorial or tribute honoring a current or past DRI member. (Relatives of current and past DRI members are also eligible for honors.) Each memorial and tribute will have its own dedicated webpage located on the DRI website at dri.org (click on the honoree's name).

A **[DRI Tribute](#)** allows individuals or entities to recognize a living DRI member. The member can be recognized for accomplishments, an anniversary, or any other celebratory event.

A **[DRI Memorial](#)** enables individuals or entities to honor and remember a deceased DRI member.

Start a tribute or memorial

If you would like DRI to create a tribute or memorial, please complete the DRI Tribute and Memorial Application (available online [here](#)) and fax it to DRI at 312.795.0749, or save it as a PDF with all fields filled out and email it to Memorials-Tributes@dri.org.

Once the application* is approved by DRI, the requesting party will be asked to make a minimum individual donation of \$25.00. Requesting parties may donate more if they prefer.

Contribute to an established tribute or memorial

Browse the [tribute and memorial pages](#) to designate a contribution honoring a recipient already listed.
