

Harwell Joins Effort to Support Girl Scouts

The wealth management firm of Patton Albertson & Miller, along with the **Harwell Law Group** and Market Street Partner CPAs, are proud to support the Girl Scouts of the Southern Appalachians. Throughout their community, more is being learned about the many effects of the COVID-19 shutdown. One example is the Girl Scouts—it's hard to sell cookies in the COVID-19 world; now their warehouse is full of unsold cookies with a limited shelf life.

The firms were honored to help the Girl Scouts creatively by donating their cookies to two outstanding nonprofit organizations: [Partnership for Families, Children and Adults](#); and [Northside Neighborhood House](#).

It is gratifying to help these deserving organizations with one donation. If you would like to help the Girl Scouts, please reach out to Madysen Foster at mfoster@girlscoutcsa.org.
