Describe your firm's level of commitment to diversity.

Diversity is one of Stoel Rives’ values and a key element of our Firm’s strategic vision. In today’s increasingly mobile, multicultural world, many of our clients recognize that diversity and inclusion are not only beneficial social values, but also vital ingredients in business innovation and success.

Diverse viewpoints and creative thinking are essential in developing innovative, workable solutions in every aspect of life. For a multifaceted law firm such as Stoel Rives, diversity within our Firm is critical to the quality of our legal work, our client service, and the professional development of our attorneys and staff.

Our diversity plan is driven by two goals: (1) to successfully recruit, develop, and retain attorneys and staff of diverse backgrounds and characteristics and (2) to foster an inclusive professional environment that respects and values differences among our attorneys and staff and supports professional development and advancement for all. Additionally, as part of our participation in Diversity Lab’s Move the Needle Fund (MTN), we have committed to improving the retention rate of our diverse attorneys (specifically women, racial/ethnic minorities, individuals identifying as LGBTQ+, and individuals with disabilities) to at least equal the retention rate of our non-diverse attorneys by 2025, with the ultimate goal of increasing the percentage of diverse partners in the Firm. MTN is a five-year model program funded by a small group of law firms and involving over two dozen corporate general counsels to test and measure innovative DE&I strategies, with the goal of developing demonstrably successful tools to help the legal profession diversify.

We are proud of our accomplishments toward meeting these goals. In 2022, over 60% of the Firm’s attorney hires were diverse. Today, nearly 70% of Stoel’s top leadership positions are held by diverse attorneys and 55% of our attorneys are diverse. We received Mansfield Rule 5.0 Plus Certification (2022), a perfect 100% rating on the Corporate Equality Index (2022), and an Aspire Diversity Award from Lawyers of Color (2023). Lastly, we were named a “Tipping the Scales” law firm by the Diversity & Flexibility Alliance (2022) and received the Women in Law Empowerment Forum’s 2022 Gold Standard Certification.
