| Describe your firm's level of commitment to diversity. |                   |                                  |  |  |  |  |

At Baker Donelson, we strive to create a welcoming and inclusive environment for all our employees. We welcome people of all races, genders, ages, languages, ethnicities, cultural backgrounds, disabilities, sexual orientations and

religious beliefs to assist our clients in achieving their legal goals.

We understand and salute the unique perspectives and approaches that are provided by differences in educational background, socio-economic background, personality profile, geographic location, job duties, marital and family status.

Our goal is to create an atmosphere at our Firm that honors the diverse quality in each of our employees. Meeting once a month, the Committee is charged with overseeing and implementing the Firm's diversity initiatives. At the beginning of the Firm's diversity initiative, in 2002, we had seven minority attorneys. We outlined a goal of increasing our minority attorney population by 100 percent in two years, and we met it. Today, we have nearly 50 minority attorneys and more than 250 women attorneys, and continue to strive to attract and retain diverse talent. Baker Donelson's COO and president is a woman, and female attorneys currently serve as chair of eight of our 17 practice groups, and serve as four of our 17 managing shareholders. Four female and one minority shareholder serve on the board of directors, and numerous committees are chaired by minority and female lawyers.

#### Describe your firm's level of commitment to diversity.

Diversity & Inclusion are part of Bradley's Core Values identified in our Strategic Plan. To further our goals, our Board appointed a Diversity Task Force to examine ways Bradley could become more inclusive. As a result of the work of the Task Force and our Inclusion & Diversity Committee, we have implemented actions to further promote inclusiveness. We hired our first full-time Director of Inclusion and Diversity. In addition to maintaining our robust WINN initiative for women attorneys, we also launched Employee Resource Groups/Affinity Groups for Attorneys of Color, LGBTQ+ Attorneys, and Veterans. We continue to expand our recruiting of marginalized communities by recruiting at HBCUs and career fairs for law students from traditionally underrepresented groups, such as LGBTQ+ Bar's Career Fair. We requested ranking in the Human Rights Campaign's Corporate Equality Index and are actively working toward Mansfield Certification. These are a few of the steps Bradley is taking to promote inclusion and diversity in all of our offices. We continue to evolve and to strive to make our Firm a place for all people to know that they belong and that they can bring their whole authentic selves to work.

#### Describe your firm's level of commitment to diversity.

Burr & Forman is committed to promoting and cultivating a culture of diversity, equity, and inclusion. The firm realizes this culture, in part, by embracing and valuing all the characteristics that make employees unique, including differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, or veteran status. At Burr & Forman, we welcome varying perspectives and experiences, and we recognize diversity as a strength. Our goal is to achieve inclusive, diverse and equitable outcomes in recruitment, retention, development, promotion, and compensation. Leading these efforts are the firm's Chief Diversity & Inclusion Officer, who reports directly to the Executive Committee, and its DEI Committee, which is comprised of partners, attorneys, and staff from across the firm's geographic footprint. Together, they work to ensure that diversity, equity, and inclusion permeate the firm's policies and practices. Resulting initiatives include: •Firm-wide unconscious bias training for attorneys and staff •Sponsorship of and participation in diverse bar associations •Participation in job fairs and campus recruitment efforts targeting diverse talent • Paid parental leave for all attorneys • A formal, written flex-time policy applicable to all attorneys, including partners •Educational programming in conjunction with annual observances of cultural traditions and heritage months •Firm-sponsored affinity groups that provide resources to and promote the interests of attorneys from various backgrounds that are traditionally underrepresented in the law, including women, persons of color, and LGBTQ individuals. In addition, the Firm values diversity at every level, including in its leadership. We note that 37% of our Office Managing Partners self-identify as diverse (women, people of color, disabled, LGBTQ or veterans), as do 30% of our Practice Group leaders and 25% of our Firm Committee Leaders. We continue to increase the gender diversity of the firm, and as a result, a majority (53%) of our associates are women, 21% of our partners are women, and 30% of all attorneys at the firm are women. We also continue to improve our racial diversity, with 19% of our associates selfidentifying as people of color. Increasing diversity will continue to be a focus of the firm.

Attorney

### Name:<u>Elizabeth B. Davis</u> Email bdavis@burr.com

#### Curriculum Vitae (100 Words or Less)

Beth Davis focuses her environmental practice on the nuances of regulatory compliance and permitting and the environmental aspects of corporate and real estate transactions, enforcement defense, and litigation. In an effort to minimize risk, she works as an extension of her client's business, understanding each party's needs and moving everyone forward. Empathetic and accommodating, Beth is able to achieve dispute resolution while artfully navigating the complexity of EPA, FDA, and CPSC compliance, occupational safety, zoning, and land use issues. Beth has extensive experience in counseling and litigation in all aspects of federal and state laws related to hazardous substances, hazardous waste, underground storage tanks, water, air, pesticides, and endangered species. Beth mitigates risk for developers and builders and litigates citizen suits in these areas.

#### Describe your firm's level of commitment to diversity.

Dinsmore has long been committed to integrating diverse perspectives and backgrounds which enrich our culture and better service our clients. We continually refine established programs when they have produced results and we are constantly considering new initiatives.

Through our diversity scholarship program, we continue partinerships with leading clients including The Procter & Gamble Company, Lockheed Martin, Yum! Brands, Valvoline Inc. and most recently Humana Inc. to offer scholarships to diverse attorneys and opportunities to obtain legal experience as summer associates/interns. Recipients have the opportunity to spend time both as a salaried Dinsmore summer associate and with the general counsel's office at our clients' corporate headquarters. Now in its 12th year, over 90% of participating scholars have received offers from Dinsmore or client partner through our program.

Recruiting diverse attorneys is only the first step in our mission; helping to develop those attorneys and providing opportunities for them to build their legal expertise and client relationships is vital to truly creating an inclusive culture within the firm. We have continued to refine our internal Career Advancement Program (CAP) 2.0. The program enables diverse attorneys to be paired with mentors in the firm who can guide their career development and ensure they receive opportunities to work with top clients and on significant matters. These mentors consist of members of the Board, office managing partners and attorneys in strong positions of leadership where their sponsorship matters.

We currently have the most diverse Board of Directors in Dinsmore's history to date: 52% of Dinsmore's Board of Directors are female and/or diverse. Additionally, since 2020 approximately 70% of our fall associates were diverse and/or female, and our 2022 summer associate class was 73% diverse and/or female.

Among 2022 highlights, the firm earned Mansfield Rule 5.0 Certification. In order to achieve this certification, firms were required to consider at least 30% women, lawyers of color, LGBTQ+ lawyers and lawyers with disabilities for leadership roles. Going forward, the firm has committed to Mansfield Rule 6.0. Additionally, we proudly announced that Dinsmore was recognized by The Leadership Council on Legal Diversity and received both their Top Performer Award and Compass Award for our commitment to improving diversity throughout the industry.

many sectors. She has extensive legislative and regulatory government relations and commercial litigation experience. She has been a registered lobbyist in West Virginia for more than 20 years and has lobbied on behalf of various industry sectors. As part of her lobbying work, Jill works directly with business units to understand how they operate and why, experience she leverages for the benefit of clients when she litigates and tries cases for them. For example, she is the spokesperson and lead lobbyist for the P&C industry in West Virginia and applies the perspectives and insights gained from this role in her defense of insurers. The National Law Journal named her an Insurance Trailblazer in 2021, and Jill is on the DRI Board of Directors.

#### Describe your firm's level of commitment to diversity.

Phelps believes that clients are best served when we can offer the diverse perspectives found within our communities. Phelps has partnered with local and national minority law organizations, law schools, and with clients and colleagues to build a more diverse and inclusive environment. The Firm's policy prohibits discrimination based upon race, sex, religion, color, sexual orientation, transgender status, gender identity and expression, military or veteran status, national origin, citizenship status, ancestry, disability, marital status, age, genetic information, or any other basis protected by federal, state, local law, ordinance, or regulation.

Phelps is proud to be Mansfield-certified and continue to work to foster inclusivity. The Mansfield Rule has become the standard by which law firms track and measure that they have affirmatively considered at least 30 percent women, lawyers of color, lawyers with disabilities, and LGBTQ+ lawyers for top leadership roles, senior-level lateral hiring, promotions into the equity partnership and participation in client pitch meetings.

Phelps is actively involved in initiatives throughout its communities that promote and celebrate diversity and inclusion. One such initiative, among others in which Phelps is a law firm member, is the Leadership Council on Legal Diversity (LCLD), an organization comprised of chief legal officers and managing partners from leading corporations and law firms around the United States, dedicated to developing, measuring, and rewarding diversity efforts.

Phelps lawyers serve in leadership positions within professional organizations such as the National Asian Pacific American Bar Association, National Bar Association, Defense Research Institute, and the American Bar Association Section of Litigation Diversity & Inclusion Committee. Phelps encourages its lawyers to attend various conferences and seminars dedicated to professional development for women and minority lawyers.

Phelps has held top rankings in a national survey of minority hiring. Minority Law Journal ranked Phelps as having the highest percentage of African-American lawyers four times since 2002 and one of the top three firms in this category for eight years. Multicultural Law Magazine has listed Phelps in the following diversity categories: Top 100 Law Firms for Diversity, Top 25 Law Firms for African-Americans, Top 100 Law Firms for Women, and Top 50 Law Firms for Partners for a number of years.
