These symposia feature pressing, contemporary legal issues presented by nationally distinguished legal experts and scholars. Established in 2004, NFJE is a 501(c)(3) charitable foundation that provides state appellate court judges with educational programs and other tools to continually enhance the rule of law and administration of justice. NFJE is the only defense lawyer organization providing judicial education. NFJE promotes a strong, balanced judiciary. To learn more, visit nfje.net or contact NFJE@nfje.net with any NFJE inquiries.
