Please provide information (either below or in an attachment) about the person that we can include on his or her dedicated tribute or memorial page. This should be a short bio or brief remembrance or acknowledgement that you would like to share (up to 100 words).

Once the tribute/memorial page is approved, a DRI staff member will contact you for a photo of the tribute/memorial recipient. (Preferred size is 200 pixels wide by 240 to 280 pixels high, but staff can resize larger photos.) At that time, you will be requested to make a recommended minimum donation of \$25.00. (The tax-exempt donation will go to the DRI Foundation and provide support for DRI Foundation initiatives.)

Donation pages will be posted for one year. DRI reserves the right to manage/edit the donation pages at its sole discretion.

Complete this form and email to Memorials-Tributes@dri.org.
