

International Day of Service

In October 2022, the DRI Foundation, along with participating state, local and national defense organizations (SLNDOs), held its first International Day of Service. The Foundation asked SLNDOs to hold a service project of their choice, irrespective of size or scope, anytime during the month of October. Participation gave SLNDOs the chance to give back to the community; strengthen relationships with DRI members and SLNDOs across the nation; assist in membership development; and generate positive publicity.

Thank you to the following organizations for their participation in the DRI Foundation's Inaugural International Day of Service.
